FROM BRONZE TO SILVER - WHAT CHANGED?

Our EcoVadis rating shows a clear step forward in 2026. Our overall score increased from 64 to 73 points, moving from a Bronze (Top 35%) to a Silver (Top 15%) rating worldwide. We achieved particularly strong improvements in Environment (+13 points) and Ethics (+9 points).

The most significant progress was made in Sustainable Procurement: from 44 to 75 points. This means sustainability is now structurally embedded in our supply chain. For our customers, this translates into partnering with a company that combines quality, transparency and responsible business practices: today and in the future.

WHAT THIS MEANS FOR OUR STAKEHOLDERS

For our stakeholders, this Silver rating provides independent proof that SMA Group is a reliable, transparent and future-ready partner.

- **Customers** gain confidence that sustainability and quality are integrated into every solution we deliver.
- **Suppliers** are part of a responsible and continuously improving value chain.
- **Employees** work in an organisation committed to ethical, safe and sustainable practices.
- **Business partners** can trust in a company that manages risk, compliance and long-term resilience.

Our 2026 EcoVadis result confirms that we do not just meet expectations, we actively raise the standard for responsible business in our industry.
